

**ANISA GOVENDER**

Senior Associate
Durban, South Africa

T: +27 31 265 0651

E: anisa.govender@bowmanslaw.com

Overview

Anisa Govender is a senior associate in our Durban office Dispute Resolution Department and a member of the Shipping Practice.

Her expertise extends across many aspects of shipping law, particularly ship arrests, but also includes expertise in admiralty litigation, emergency marine casualty response, ship finance, regulatory and general admiralty advice as well as ship and cargo sale and purchase.

She is the immediate past secretary of the Maritime Law Association of South Africa and she has been nominated to represent the Maritime Law Association on the board of the Ethekwini Maritime Cluster.

Anisa holds BA, LLB and LLM degrees from the University of KwaZulu-Natal.
