Johannesburg, South Africa

T: +27 11 669 9514

E: david.geral@bowmanslaw.com

Overview

David Geral is a partner in our Banking and Finance Department, and is the head of our Banking and Financial Services Regulatory Practice.

He specialises in pensions, healthcare, group insurances and equity-linked incentive schemes. David advises local corporations, private and industry retirement funds, medical schemes and their service providers on governance, contracting, compliance and dispute resolution as well as on matters before the Pension Funds Adjudicator, the Council for Medical Schemes, the Competition Commission, the Financial Services Board Appeal Board, the Equality Court and the High Court. David supervises due diligences on these matters and advises on various transactions involving pension and medical benefits transfers.

David has BA and LLB degrees from the University of Cape Town. David holds a certificate in Impact Investing in Africa from the University of Cape Town, and is a leading attorney in relation to impact investing, social impact bonds and environmental, social and governance related (ESG) investing in South Africa

He is a CEDR Accredited Commercial Mediator and a notary.
