Overview

Mogola Makola is a partner in our Johannesburg office Tax Practice.

She specialises in domestic and international tax, with a specific interest in transactions involving derivatives. Her expertise extends to the tax structuring of offshore investments, derivative trades, securities lending transactions, investments in private equity funds and private equity fund formations and tax structuring. Mogola has advised on major mergers and acquisitions in relation to tax efficiency structuring.

She has BA and LLB degrees from Rhodes University and an LLM from the University of the Witwatersrand.
