Overview

Lebo is a senior associate in our Johannesburg office and a member of the Tax practice.

Lebo has corporate and international tax experience and has worked in both a legal and audit environment.

Lebo has BA and LLB degrees from Rhodes University, a LLM degree specialising in Commercial Law from the University of Cape Town, as well as a Higher Diploma in International Tax from the University of Johannesburg.

Experience

- Advised a multinational on the tax implications of restructuring its South African business and the application of the roll-over relief provisions.
- Advised a South African financial services provider on the tax implications of dividends received by its South African resident clients from non-resident companies listed on the JSE.
- Advised various multinationals on their risk of creating a taxable presence in South Africa.
- Assisted various individuals with applications for relief in terms of the SARS Voluntary Disclosure Programme.
