Overview

Mili Soni is a senior associate in our Johannesburg office Corporate department and a member of the Mergers and Acquisitions/ECM practice. She is also an active member of the Fintech Service Line at Bowmans.

She provides general corporate and commercial advice on a daily basis to domestic and foreign clients in various industries. She specialises in mergers and acquisitions, capital markets and general corporate and commercial law. Her expertise extends to advising on private and public transactions, initial public offerings, listed company transactions and company law.

She has conducted extensive research on the global position around cryptocurrencies and initial coin offerings and advises clients on specialised matters in this niche Fintech area.

Mili has LLB and LLM degrees from the University of the Witwatersrand.

Experience

LLB (University of the Witwatersrand)

LLM (University of the Witwatersrand)
